Projects

VanParksVision – <http://dtdc-wsuv.org/projects/vanparksvision/>

Project Lead, Design Team

A mobile app that uses augmented reality to envision two upcoming Vancouver, WA city parks.

- Lead the development of brand guides, logo design, and iconography creation
- Directed use of styles across project teams
- Designed and coded website for project
- Produced timesheets

Eduardo Kac Rebranding – garylangan.com/kac.html

Designer and Proposal Production

A proposal for updating world renowned bio-artist Eduardo Kac's brand identity and website design.

- Developed the color palette, logo, and typeface to be used across the printed and web elements.
- Designed and produced the client proposal containing the finalized assets from each team.

Invisible Disabilities – garylangan.com/invisible.html

Website Design and Production

A web environment that highlights the hidden struggles many people experience daily; topics explore special education, PTSD, mental health, chronic pain, and learning disabilities.

- Conceptualized and developed the web presence for the project.
- Oversaw the audio and video recording of podcast episodes.
