

A large, light gray thought bubble with a small tail pointing downwards and to the left.

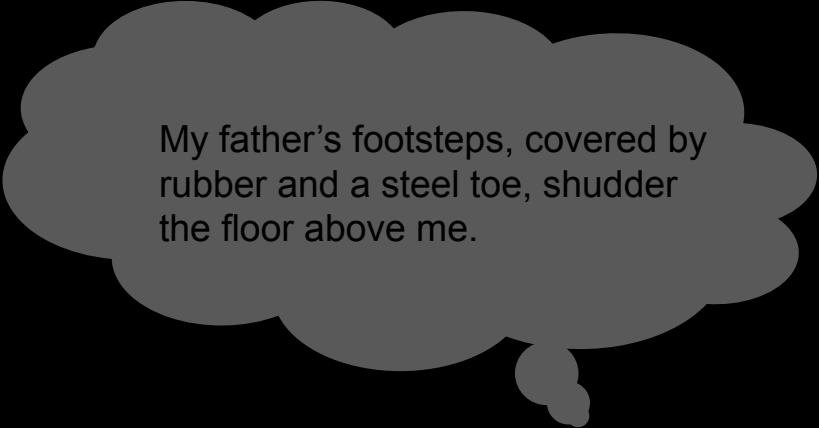

The warmth of sleep surrounds me...

A large, light gray thought bubble with a small tail pointing downwards and to the right.

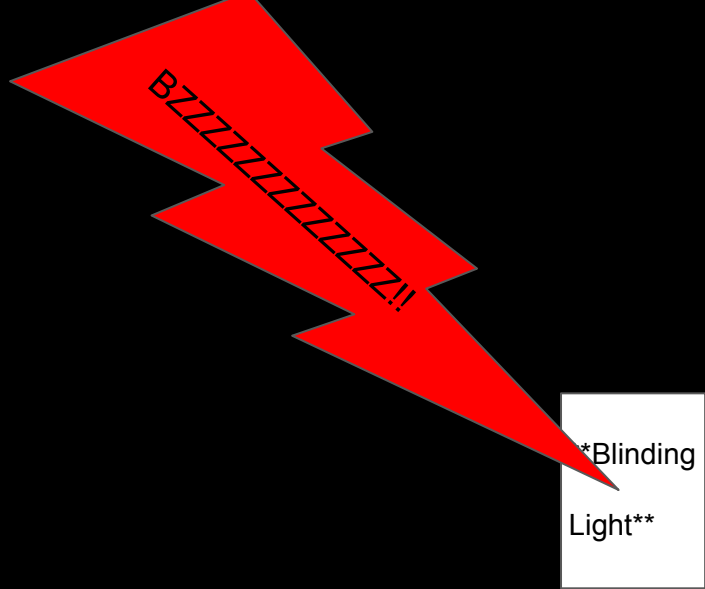

I hear the distant buzzing of an alarm clock. Too early for me to care.

A small, light gray thought bubble with a small tail pointing downwards and to the left.

Couldn't be me...

A large, light gray thought bubble with a small tail pointing downwards and to the right.

My father's footsteps, covered by rubber and a steel toe, shudder the floor above me.

Probably just my alarm... \*throws phone\*

Winter Weather Advisory In Effect

Jason 1 Missed Call(s)

I got my car stuck in a ditch, and I need you to pull me out

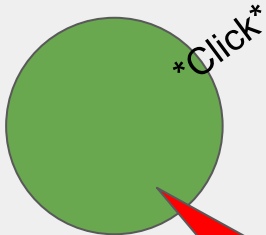

Bro, call me back

-J

Aaaaa...  
chooo...

- 1: I'm awake
- 2: My phone is ringing again
- 3: Upon further inspection, I see Jason is calling me

I hurriedly throw pants on, almost forgetting my socks on the way out.

WHY HAVEN'T  
YOU ANSWERED!
