Graphic Designer

Content Creation Specialist

Developer

## PROFESSIONAL EXPERIENCE

### **Parks for Clark A Digital Reimagining**

SPRING SEMESTER 2020

As a part of the content creation team I helped make a 2D stylized interactive map of Clark county showing the beautiful landmarks of the area as well as highlighting the work done by the Parks Foundation of Clark county (PFCC). As well as worked with the other members of my team to make several short videos showing what the PFCC does in the community.

### **The Day I Met A Wolf**

SPRING SEMESTER 2019

Created in Twine, The Day I Met A Wolf is a choose-your-own-Adventure text-based narrative based on the popular Fairy tale Little red riding hood. This team project allows the player to choose how the narrative will unfold and the creative writing and story-boarding was done by myself while the visual and other aspects of the project were done by my teammates.

### **HerSmile**

SPRING SEMESTER 2019

HerSmile is a short film scripted by myself and my teammates that we shot and presented, scriptwriting, filming, and editing were done by myself with the help of my teammates as we completed this project.
