# Follow You Lord to Mexico.

2009 2010

New friends were made.

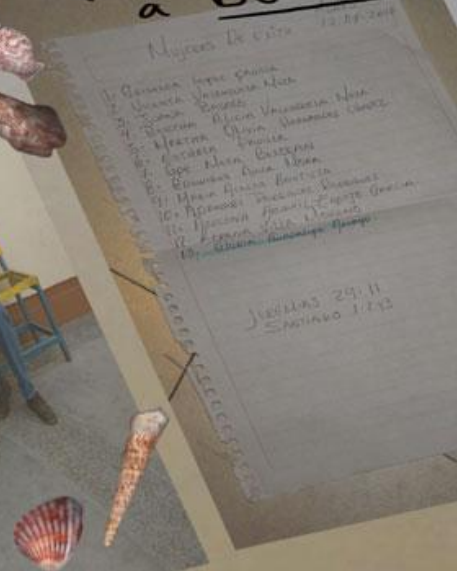

"All my needs you have supplied. When I was dead you gave me life. How could I not give it away so freely?"

Learned that going to prison was a blessing.

Street team

They accepted Christ! Such a burden was lifted and JOY filled them.

 Follow you into the world".

When clouds veil sun and disaster comes

When waters rise and hope takes flight

When clouds brought rain and disaster came

When waters rose and hope had flown

Oh, my soul

Face book  
updates

Day one: travel.

Day one (part 2): travel to Haiti; MAF 5 person plane ride to Jacmel. Road in a taptap. Held a child at an orphanage after having a girl jump on me as I entered.

Day two: mopped the floors in the house. Went to church called Hosanna; talked about victory in God. Swam in the Caribbean.

Day three: VBS at an orphanage in the morning and at a church by the beach. Showed a cartoon version of the Jesus film and did a skit about having Jezi, Jesus, in your heart.

Day four: VBS at an orphanage. Haitian spaghetti for lunch. Heading up the mountain for another VBS and showing the film and skit. God is doing great things. The children love being held. End of day four: [Tuesday] Had Pb & j for dinner. The ride up the mountain on the Tap Tap was exciting, some would say terrifying; however we made it there and back to the CCHI home. I believed that if the wind and waves obey Christ, that the Tap Tap and the tires would listen too. We showed the cartoon Jesus film and played games on the mountain.

## Perfect love that never lets go

# Follow You to Jacmel, Haiti

We went to an all girls orphanage and played with them on a small patio space and to a community church and ran a VBS where there were probably 100 kids.

In Matthew 25:40, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." God doesn't need us to do his work. It is a privilege by His grace and mercy alone that he allows us to be blessed as we bless others through him.

The poor in Vancouver are so RICH compared to those in Kibera; however, when both have Christ in their hearts, they are very RICH
