EXTRA INFO

Favorite quote
"Archaeology is not only the handmaid of history, it is also the conservator of art."
– Robert Bulwer-Lytton

CAREER OBJECTIVE

A detail-oriented person with proven analytical, communication, and problem-solving skills. As an Archaeology Field Technician, I leverage my skills and abilities obtained in the United States Army with Lidar, GPR, and ArcGIS and experience with digital technology to create sustainable solutions that improve quality of life, health, and safety that contribute to the successful growth of your organization.

Experience

DESIGNER

Electronic Literature Organization's The NEXT Jan. 2020 – Present – the-next.eliterature.org

A combination museum, library, and preservation space containing 30 collections and over 3000 works of born digital literature owned or managed by the Electronic Literature Organization, an international arts organization.

- Creating 3+ carousel images and refining 50+ artist images for web flow and design.
- Designing and editing layout of images and assets for use within the virtual space of The NEXT.

BOARD MEMBER

Washington State University Vancouver Anthropology Club Board
